# 2005 Village of Carmacks Zoning Bylaw

## Section 1: General Administration

### 1.1 Title

- 1.1.1 This bylaw is called the “Village of Carmacks Zoning Bylaw” and includes Schedules 1 and 2.

### 1.2 Purpose

- 1.2.1 This Zoning Bylaw provides the regulatory framework for orderly, economic, and environmentally responsible development within the Village of Carmacks by:
- a) implementing the direction contained in the Village’s Official Community Plan;
  - b) establishing land use zones and associated regulations to control the use, location, type and level of development allowed to occur on a parcel of land within the municipality’s jurisdiction; and
  - c) setting out rules of procedure including the forms, information requirements and processes to be followed to permit the consistent review and a timely decision on an application to undertake a development, apply for rezoning and/or file a development appeal.
- 1.2.2 Village Council shall not consider or pass a zoning bylaw, consider any amendment thereto or issue a Development Permit for a use or development that is contrary to the provisions of an existing official community plan unless and until the Official Community Plan has been amended.

### 1.3 Enabling Legislation

- 1.3.1 This bylaw has been passed in conformance with the *Yukon Municipal Act RSY 2002 Chapter 154* and amendments thereto.

### 1.4 Jurisdiction & Relationship to Little Salmon/Carmacks First Nation Self-Government Agreement

- 1.4.1 This bylaw applies to all land within the municipal boundary of the Village of Carmacks including those First Nation lands shown on the map entitled Schedule 1: First Nation Lands and listed in Appendix B, Part 1 of the *Little Salmon/Carmacks First Nation Self-Government Agreement*. In the interests of clarity, Schedule 1 also identifies three parcels of land that are specifically excluded from within the municipal boundary as well as those land selections within the municipality where the First Nation may, under section 13.3 of the Self-Government Agreement enact “laws of a local or private nature which includes planning, zoning and land development.
- 1.4.2 Notwithstanding section 1.4.1, this Zoning Bylaw applies as a law of general application to those land selections located within the municipality referred to in Appendix A of the Self-government Agreement, until the First Nation enacts its own planning and zoning laws pursuant to the *Little Salmon/Carmacks First Nation Self-Government Agreement*.

### 1.5 Zoning Map & Boundary Determination

- 1.5.1 The municipality is divided into land use zones graphically represented on the Zoning Map, drawn to scale, which is attached as Schedule 2 to this bylaw.

- 1.5.2** Where Council adopts an amendment to the boundary of any land use zone, the change shall be reflected in an amendment to the Zoning Map with the bylaw number and date of revision recorded on the drawing.
- 1.5.3** Pursuant to the *Municipal Act (sec. 290.4)*, zone boundaries shall be interpreted as follows:
- a) Where a boundary follows a public roadway, lane, utility right-of-way or easement, it follows the centre line unless clearly shown to the contrary on the Zoning Map;
  - b) Where a boundary is shown as approximately following the municipal boundary, it follows that boundary;
  - c) Where a boundary is shown as approximately following the edge or shoreline of a river, wetland or other water body, it follows the Ordinary High Water Mark (OHWM);
  - d) Where a boundary is shown as approximately following a property line, it follows that property line;
  - e) Where a boundary is shown as following a geographic feature such as a top-of-bank topographic contour, it follows that line; and
  - f) In circumstances not covered above, the boundary shall be determined by measuring the Zoning Map.
- 1.5.4** When any public roadway is closed, the roadway lands shall assume the same zoning as the abutting land. When abutting lands are zoned differently, and the road allowance is consolidated with an adjoining parcel, the zone boundary shall reflect the zoning of the consolidated lot.
- 1.5.5** Where a boundary of a zoning district coincides with a lot or lease boundary line and the existing surveyed lot or lease is resurveyed to accommodate a lot size change, the boundary of the zoning district shall, on registration of the change in the Land Titles Office, be considered to follow the boundary of the new survey.

## **1.6 Compliance with Other Legislation**

- 1.6.1** A person applying for a Development Permit or a change of use is responsible for determining and complying with the requirements of other applicable Municipal, Territorial, First Nation and Federal legislation and the issuance of a permit does not relieve the owner or applicant from complying with any easement, covenant, lease or legal agreement that affects the development or land.
- 1.6.2** If the Government of Yukon chooses to enact height and obstacle clearance restrictions affecting lands in the vicinity of Carmacks airport at some future date, then a person applying for a development or change of use after the date on which the regulation takes effect, must comply with those restrictions and they shall take precedence over this bylaw.

## **1.7 Application in Progress**

- 1.7.1** An application for a Development Permit or rezoning, which is received in its complete form prior to the effective date of this bylaw, shall be decided upon in accordance with the regulations currently in effect.

## **1.8 Severability**

- 1.8.1** If one or more provisions of this bylaw are, for any reason, declared to be invalid by the Courts, all remaining provisions remain in force and effect.

## **1.9 Prohibitions**

**1.9.1** No person shall authorize or do any construction that is at variance with the description, specifications or plans that were the basis for the issuance of a Development Permit, unless the variation has been reviewed and authorized in writing by the Development Officer or, where applicable, the Building Inspector.

## **1.10 Availability**

**1.10.1** A copy of this bylaw and the Zoning Map, as amended from time to time, shall be available for inspection in the Village office and may be purchased for the fee set by Council.

## **1.11 Conversion to Metric Measure**

**1.11.1** No existing development shall be deemed to be non-conforming with this bylaw simply because of the conversion of previously existing imperial measurements to their approximate metric equivalent, which form the basis for measurement used herein.

# **Section 2: Definitions**

## **2.1 Rules of Interpretation**

**2.1.1** Typical uses listed in the definitions as examples are not intended to be exclusive or restrictive. Reference should be made to the intent, impact and definition of the use in determining whether or not the type of use proposed is consistent with the examples listed.

**2.1.2** Where a specific use does not conform to the wording of any use definition or generally conforms to the wording of two or more definitions, a Development Officer may use their discretion to determine which definition of use type is most similar in terms of character and purpose.

“YARD, REAR” means the portion of a lot which extends across the full width of the lot between the rear property line and the nearest permitted principal building or structure.

“YARD, SIDE” means that part of the lot which extends from a front yard to the rear yard between the side lot line and the nearest permitted principal building or structure.

## **Z**

“ZONING MAP” means Schedule 2 - the map that delineates the boundaries of the zones set out in this bylaw.

## **Section 3: Duties & Responsibilities**

### **3.1 Development Officer**

**3.1.1** The position of Development Officer to administer this bylaw is established. One or more employees of the Village of Carmacks shall be appointed by Council to fulfil the duties of this position.

**3.1.2** The Development Officer shall receive completed applications for a Development Permit, rezoning and Certificate of Zoning Compliance.

**3.1.3** The duties of the Development Officer include:

- a) Receiving, reviewing, and making recommendations to Council on any application to amend the text of this bylaw or Schedule 2, the *Zoning Map*;
- b) Approving, rejecting or approving Development Permits with conditions as the case may be, and issuing Certificates of Zoning Compliance.
- c) Referring an application to any Federal or Territorial department, the Little Salmon Carmacks First Nation or any other agency or body deemed appropriate for advice and comment;
- d) Publicly posting on the municipal office bulletin board, the affected site and such other prominent locations within the community notice of receipt of an application for a conditional use permit. The Development Officer shall give written notice to affected property owners within 100m of the location to which the application applies, and provide fourteen (14) days for comment prior to making a decision.
- e) Creating standard application forms and maintaining a current copy of this bylaw, for inspection or purchase at a reasonable cost by the public during normal office hours.
- f) Maintaining a public register of all Development Permit and rezoning applications received including the decisions made;
- g) Exercising discretion in relaxing yard setbacks of up to 5% of the requirements of this bylaw provided there will be no detrimental impact on adjacent properties or the neighbourhood and the density is not increased by virtue only of the variance; and
- h) Performing such other duties as described or implied by this bylaw.

## **3.2 Board of Variance**

- 3.2.1** A Board of Variance shall be established in accordance with the *Municipal Act (sections 306,307)*. The Board of Variance shall consist of not less than three (3) members, none of whom are members of Council, to review and make decisions on applications made to it.
- 3.2.2** The Chairperson of the Board of Variance shall be selected from amongst its members. The Chair shall sign all notices of decision and other documents on behalf of the Board or, in their absence, such documents may be signed by one of the members present at the hearing to which they apply.
- 3.2.3** The Secretary of the Board of Variance shall be appointed by the Council, and shall not be a member of Council or the Development Officer. The Secretary shall perform the following duties:
- a) Organizing a hearing within thirty (30) days of receipt of filing of an application and payment of a non-refundable processing fee;
  - b) Publicly posting notice on the municipal office bulletin board and other prominent locations within the community the date of the hearing at least fourteen (14) days in advance;
  - c) Notifying property owners within a 100m radius of the affected location; and
  - d) Preparing and maintaining a written record of the proceedings and issuing a Notice of Decision to the affected parties and all interveners outlining the Board's decision and rationale within 5 working days.
- 3.2.4** A majority of the Board of Variance shall constitute a quorum. Only those Board members present may vote and a majority decision of the members present constitutes the decision of the Board.
- 3.2.5** Pursuant to section 307 of the Municipal Act, a person may apply to the Board of Variance for a variance or exemption from an Official Community Plan or Zoning Bylaw if there are practical difficulties or unnecessary hardships in meeting the requirements of the Official Community Plan or Zoning Bylaw because of the exceptional narrowness, shortness, shape, topographic features, or any other unusual condition of the property.
- 3.2.6** The Board of Variance shall give at least fourteen (14) days notice of the public hearing date, in writing to:
- a) The applicant and the Development Officer;
  - b) All adjacent land owners within 100m of the development, and those others who, in the opinion of the Board of Variance, may be affected by the variance request; and
  - c) Such other persons as the Board of Variance specifies.
- 3.2.7** The Board of Variance shall make available for public inspection before the commencement of the public hearing all relevant documents and materials respecting the variance including the original application for the Development Permit, the Development Officer's decision, and the variance application.
- 3.2.8** At the public hearing, the Board of Variance shall hear:
- a) The person requesting the variance or any person acting on their behalf;
  - b) The Development Officer, or a person designated to act on their behalf;
  - c) Any other person who was served with notice of this public hearing and who wishes to be heard or a person acting on his/her behalf; and
  - d) Any other person that the Board of Variance agrees to hear or a person acting on their behalf.

- 3.2.9** Within thirty (30) days of receipt of a completed application, the Board of Variance shall hold a hearing respecting the variance request and approve, disapprove, or approve with conditions an application that in its opinion will preserve the purposes and intent of the Official Community Plan and Zoning Bylaw.
- 3.2.10** The Board of Variance shall give its decision in writing together with the reasons for the decision within five (5) days of the conclusion of the public hearing. In determining an appeal, the Board of Variance shall not approve an application for a variance if:
- a) The unusual condition is the result of the applicant's or the property owner's action;
  - b) The adjustment requested would constitute a special privilege inconsistent with the restrictions on the neighbouring properties in the same district;
  - c) The variance or exemption would be contrary to the purposes and intent of the Official Community Plan or Zoning Bylaw and injuriously affect the neighbouring properties; or
  - d) The variance or exemption would allow a change to a use that is not similar to a permissible use in the area.

### **3.3 Appeals to Council**

- 3.3.1** Any person, who is aggrieved by a decision of the Development Officer or Board of Variance as the case may be under this bylaw, may appeal in writing to Village Council within thirty (30) days of that decision by filing a written notice of appeal using the form provided and paying the applicable processing fee.
- 3.3.2** Council shall schedule a hearing of the appeal within thirty (30) days of filing following the procedures set out in the *Municipal Act (section 308)*. The decision of Council is final and binding on all parties.

## **Section 4: Development Permits**

### **4.1 Development Permit Required**

- 4.1.1** Except as provided in Section 4.2, no person shall initiate any development or commence any use in the Village of Carmacks unless the Development Officer has issued a Development Permit.

### **4.2 Development Permit Exceptions**

- 4.2.1** No Development Permit is required for the following activities provided that such developments comply with all provisions of this bylaw and other applicable legislation:
- a) Alterations and minor repairs to any building or structure provided the work does not change the use or intensity of use;
  - b) The construction of a single storey accessory building or structure not greater than 10m<sup>2</sup> in floor area;
  - c) The erection of fences, construction of walkways and driveways, and landscaping, where the existing grade and surface drainage pattern is not materially altered and the manner of development does not obscure traffic sight-lines or create similar off-site impacts;
  - d) The temporary use of a building or part thereof, in relation to an election, census or referendum including candidate campaign offices;
  - e) The erection, repair and replacement of television and minor communication related structures;

- f) Demolition of a building under 10m<sup>2</sup>, except a designated heritage structure;
- g) The completion of a building or structure which was lawfully under construction at the date on which this bylaw came into force and effect provided that the building or structure is completed in accordance with the permit granted;
- h) The installation of a temporary construction shed on the site for use by the contractor as a project office, tool storage or similar function while the project for which a Development Permit has been issued is underway; and
- i) Construction of a private dock subject to approval of the authority having jurisdiction.

### **4.3 Certificate of Zoning Compliance**

- 4.3.1** Where an applicant's proposed use or change of use is permitted within any zone and it complies with every other section of this bylaw, the Development Officer may issue a Certificate of Zoning Compliance in lieu of a Development Permit to facilitate acquisition of a building permit or property title transfer.
- 4.3.2** The Development Officer may, at the request of an applicant, provide a Certificate of Zoning Compliance confirming the development has been completed in accordance with a valid Development Permit and complies with this bylaw.
- 4.3.3** Every application for a Certificate of Zoning Compliance shall be made in writing on the form prescribed by the Development Officer.

### **4.4 Development Permit Application**

- 4.4.1** Every application for a Development Permit shall be made in writing on the form prescribed by the Development Officer and signed by the registered owner of the affected property or their authorized agent.
- 4.4.2** An applicant for a Development Permit shall pay a non-refundable processing fee as set by Council from time to time, to the Village of Carmacks.
- 4.4.3** Every application shall include: the legal description and property address; nature of the proposed development and be accompanied by a site plan drawn to scale in metric, illustrating: lot dimensions, setbacks and site coverage; the location of existing and proposed site features (e.g. fences, buildings, accessory structures, power poles, trees, slopes and watercourses); the location of access, parking and loading areas; building heights and dimensions; existing and proposed building and lot grades.
- 4.4.4** The Development Officer may require the following additional information to make an informed decision:
  - a) A geotechnical evaluation of the site to confirm slope stability, appropriate top-of-bank, lakeshore and watercourse setbacks and site suitability for on-site septic sewage disposal;
  - b) A landscape plan showing existing and proposed site grading, areas of fill and drainage, existing and future tree locations, and related features to improve the appearance of the development or screen its activities;
  - c) A landscape reclamation plan where the nature of the proposed development will significantly alter the landscape or the proposed use has a limited life span;
  - d) An environmental impact statement where the magnitude or type of use may have off-site implications of a short or long-term duration by virtue of the nature of the activity proposed; and

- e) Written confirmation that satisfactory arrangements have been made for access, the hook-up or supply of services such as water and electricity, sewage disposal and garbage pick-up.

**4.4.5** The Development Officer may refuse to accept a Development Permit application that would otherwise comply with the requirements of this bylaw until proof of access to the lot from a legal road right-of-way is provided.

**4.4.6** Upon receipt of a completed application for a conditional use, the Development Officer shall:

- a) Deliver by hand or regular mail a Notice of Proposed Development to all assessed property owners within 100m of the proposed development describing the proposed use, its location on a map showing the proposed development in relation to the lot, street and abutting properties; the name of the applicant and Development Officer where further information may be obtained; and the deadline for comments;
- b) Provide a minimum of 14 days for comments after distribution of the *Notice of Proposed Development* before making a decision.

## **4.5 Development Permit Decisions**

**4.5.1.** The Development Officer shall:

- a) Approve applications for a Development Permit where the use proposed is listed as permitted in that zone and the application complies with all other applicable requirements of that zone;
- b) Consider all written submissions received in support or against a conditional use application prior to rendering a decision and may approve, reject or impose such conditions as the Development Officer considers appropriate to mitigate concerns and ensure the development is consistent with the intent and character of the zone in which the proposed conditional use will be situated; and
- c) Refuse applications that do not comply with the requirements of this bylaw.

**4.5.2** The Development Officer shall make a decision within 15 business days on a development application in a zone where the proposed development is listed as a permitted or accessory use. In the case of a conditional use requiring notification of affected property owners, a decision shall be rendered within 30 working days of receipt.

**4.5.3** Decisions shall be in writing with the reasons listed and sent to the applicant or in the case of a conditional use, to all interveners or property owners previously notified.

**4.5.4** A Development Permit approval becomes effective on the date that any conditions, except those of a continuing nature are fulfilled.

**4.5.5** Where a Development Permit is approved and an appeal is subsequently filed within the required time limits, the Development Permit is not effective until a determination has been made on the appeal, at which point the permit may be affirmed, modified or nullified.

**4.5.6** If the development authorized by the Development Permit is not commenced within twelve (12) months from the date of issue, or any associated construction not carried out with reasonable diligence, the permit is deemed void.

**4.5.7** Notwithstanding section 4.5.6, the applicant may request an extension prior to the expiry date by notifying the Development Officer in writing indicating the reasons for the extension request. The Development Officer may grant, reject or approve the extension with conditions based on the merits of the case.

**4.5.8** The granting of a Development Permit, review of any accompanying drawings and specifications shall not relieve the applicant from responsibility to acquire such other permits as are necessary to carry out the development in a lawful manner.

**4.5.9** The person to whom a Development Permit has been issued, shall, during construction, keep in a conspicuous place on the site, a copy of the approved development and building permits including a copy of all approved drawings and specifications for inspection by the Development Officer.

**4.5.10** Where the proposed development requires a subdivision of land, no Development Permit shall be issued until the proposed subdivision has been approved in accordance with the *Municipal Act* or *Subdivision Act and Regulations* as the case may be.

## **4.6 Development Agreements**

**4.6.1** The Development Officer (or Council in the case of an appeal) may require the applicant to enter into a Development Agreement with the Village of Carmacks to cover the terms and conditions set out in the Development Permit that are deemed necessary to ensure compliance with this bylaw, the *Official Community Plan*, and the *Municipal Act*.

**4.6.2** A Development Agreement may contain contractual arrangements as to any, or all of the following:

- a) The use of the lot in relation to any existing or proposed buildings or structures including the preservation of buildings and structures;
- b) Any requirements for flood-proofing, environmental setbacks or waivers of municipal liability relating to known potential hazards;
- c) The timing and nature of development including such matters as siting, drainage, grading, building height and dimensions, facade treatment, landscaping, screening, parking and access;
- d) The extension, construction or replacement, in whole or in part, of roads, sidewalks, street lighting, storm drainage, water supply distribution, garbage and sewage disposal;
- e) The provision of on-site recreation or other amenities to serve the development; and
- f) The levying of a fee in lieu of otherwise providing for any of the matters mentioned in the sub-clauses above.

**4.6.3** Pursuant to section 326(3) of the *Municipal Act*, Council may require the *Development Agreement* to be registered in the Land Titles Office, and any agreement as registered shall have the force and effect of a restrictive covenant running with the land.

## **4.7 Resubmission Interval**

**4.7.1** When an application is refused by the Development Officer, the Board of Variance or Council on appeal, another application on the same site for the same or similar use as that previously applied for, shall not be accepted from the same or any applicant until at least six (6) months after the date of refusal or final appeal as the case may be.

**4.7.2** Section 4.7.1 shall not apply in the case of an application for a Development Permit or Certificate of Zoning Compliance, if the new application is for a use that complies with the regulations of this bylaw.

## Section 5: Enforcement

### 5.1 Offence

- 5.1.1** Any person who contravenes, causes or permits a contravention of this bylaw to occur, commits an offence,
- 5.1.2** Where the Development Officer receives a complaint that a Development Permit may have been obtained by fraud or misrepresentation, or that the development is not being carried out or has not been completed in accordance with the approved permit, the Development Officer shall investigate and may revoke, suspend or modify the original approval.
- 5.1.3** Where a development or use of land or buildings is being undertaken without a Development Permit, or the development and use are in contravention of the *Municipal Act*, the *Official Community Plan*, this bylaw or the terms and conditions of the Development Permit, the Development Officer shall prepare a *Notice of Violation*, stating the nature of the violation, the scope of corrective measures required and the time limit for compliance. The written notice may be served in person, posted in a conspicuous location on the site or sent by registered mail to the property owner, the tenant, or the person in possession of the land and/or buildings carrying out the activity that is in contravention.
- 5.1.4** Council may, on finding that a contravention of this bylaw has occurred: direct the Development Officer to take such actions as are necessary to stop the contravention by suspending or revoking a Development Permit or applying to the Court for an injunction to restrain the contravention from continuing.
- 5.1.5** The Development Officer may order all or any of persons described in section 5.1.3 to:
- a) Stop work and apply for the required permit(s);
  - b) Stop work and seek a variance;
  - c) Stop the development or use of the land and buildings in whole or in part;
  - d) Demolish, remove, replace or repair the structure that is not in compliance; or
  - e) Take such other measures as specified in the notice to bring the development into compliance.
- 5.1.6** Where a person fails or refuses to comply with an order issued by the Development Officer under section 5.1.3 or an order of the Board of Variance within the time specified, Council may take such action as is necessary to enforce the order with the costs and expenses incurred by the Village placed on the tax role for the property in question to be collected in the same manner as taxes on the land.
- 5.1.7** Council may, by resolution, order the demolition and/or removal of any materials or structures constructed or placed in contravention of the provisions of this bylaw.
- 5.1.8** Council may, by resolution, order the removal of any fire or explosive hazards; unsightly storage of goods, salvage, junk, waste or other materials which may become hazardous or injurious to the health or safety of the community, or which adversely affects the amenities of the neighbourhood, or interfere with the normal enjoyment of any abutting land, building or structure on the basis that such circumstances represent a contravention of the intent of the *Official Community Plan* and the provisions of this bylaw.

## **Section 6: Administration & Amendment**

### **6.1 Text and Map Amendments**

- 6.1.1** Council may initiate any text and/or map amendment to this bylaw. Any such amendment shall be reviewed in accordance with section 6.3
- 6.1.2** Any person may apply for an amendment to the text and/or map of this bylaw by submitting the required application fee along with a written statement describing and justifying the amendment request.

### **6.2 Rezoning Applications**

- 6.2.1** Any person applying for a change in zoning shall apply in writing to Council furnishing reasons in support of the application. The applicant shall provide the Development Officer with documentation of ownership or authority to act on behalf thereof; a written statement of justification including a map showing the proposed change in the context of adjacent land; permission for the Development Officer to enter onto and inspect the property; and such other information as the Development Officer deems necessary to prepare an evaluation of the request with a recommendation to Council.
- 6.2.2** Any person making an application for a zoning change, at the time of such application shall pay to the Village a non-refundable application fee as set by Council from time to time.

### **6.3 Review Process**

- 6.3.1** Upon receipt of a completed application for a text, map or district rezoning, the Development Officer shall undertake an investigation and analysis of the potential impacts of the proposed change. The analysis shall be based on the full development potential of uses permitted under the proposed zone rather than the merits of any particular development proposal.
- 6.3.2** The analysis shall, among other factors, consider the following:
  - a) Relationship to and compliance with the Official Community Plan, federal, territorial land use policies and government's obligations under the *Carmacks/Little Salmon First Nation Land Claim and Self Government* agreements;
  - b) Compatibility with surrounding development in terms of land use function and scale of development;
  - c) The impacts on municipal services, utilities and public facilities such as schools;
  - d) The potential need for municipal land, right-of-way or easement requirements;
  - e) Effect on the stability, retention and rehabilitation of desirable existing uses and buildings;
  - f) The documented concerns of affected residents and land owners to the proposal; and
  - g) The necessity and appropriateness of the proposed amendment in view of the stated intentions of the applicant.
- 6.3.3** Before approving a text, map or site rezoning amendment request, Council shall comply with those requirements and notification procedures set out in the *Municipal Act*.
- 6.3.4** Where an application for an amendment to this bylaw has been refused by Council, another application for the same or substantially the same amendment shall not be submitted within twelve (12) months of the date of refusal unless Council otherwise directs.

## **6.4 Fees, Forms & Records**

- 6.4.1** Council shall periodically review and update by resolution a standard fee schedule for the application and administration of this bylaw.
- 6.4.2** Council shall adopt by resolution a standard set of forms to be used for the administration of this bylaw with such forms available in hard copy and/or electronic form.

## **Section 7: General Provisions**

The following general provisions apply in all zones except where otherwise stated.

### **7.1 Non-conforming Buildings & Uses**

- 7.1.1** Non-conforming uses will be dealt with according to the provisions of the *Municipal Act* (sections 301-305). A non-conforming use may be continued, but if that use is discontinued for twelve (12) months or more, any subsequent use of the land or building shall conform to the provisions of the *Official Community Plan* and *Zoning Bylaw* then in effect.
- 7.1.2** A non-conforming building or structure may not be enlarged, added to or substantially altered except to increase its conformity.
- 7.1.3** Repairs, maintenance, decoration or installations that do not alter the size of the building or other structure or involve the rearrangement or replacement of structural supporting elements shall not be considered to be structural alterations and are permitted.
- 7.1.4** The lawful non-conforming use of a portion of the land, building or structure may be extended throughout the rest of the site, building or structure provided there are no structural alterations or construction of additional buildings and structures.
- 7.1.5** The use of land or a building is not affected by a change of ownership, tenancy or occupancy of the land or building except as limited by the conditions set out in section 7.1.4
- 7.1.6** If a non-conforming building or structure is destroyed by fire or damaged to an extent of 75% of the assessed value of the building, it may not be rebuilt or repaired except in conformity with the *Official Community Plan* and *Zoning Bylaw* then in effect.
- 7.1.7** Lots created before the approval of this bylaw that are less than the minimum dimensions required of the zone they are in, shall be considered to be conforming lots for the purposes of this bylaw.

### **7.2 Siting, Building Height and Grading**

- 7.2.1** Steps, eaves, chimneys, door canopies, bay windows, roof overhangs, and similar building features may project into the required yard setback provided the projection does not exceed one (1) metre.
- 7.2.2** Where a lot has frontage on more than one street, the Development Officer may require any building, structure, or accessory building on the lot to maintain a front yard on each street so as to present a consistent street appearance on each street.
- 7.2.3** Chimney stacks, ventilation equipment, elevator housings, parapet walls and flag poles are not included in calculating the maximum height permitted in any zone.
- 7.2.4** Proposed building grades should, to the extent possible, respect the natural contour of the land, minimize the necessity to use retaining walls, avoid steps that restrict handicapped access, and ensure drainage away from abutting properties.

### **7.3 Relocation of Buildings and Structures**

- 7.3.1 No person shall move a building, structure or a non-CSA approved mobile home off or onto a lot without obtaining a Development Permit.
- 7.3.2 Any relocated building or structure must be brought up to current *National Building Code* standards upon relocation.

### **7.4 Lands Subject to Flooding**

- 7.4.1 No development shall be permitted on any lot that falls within lands designated as susceptible to a 1:100 year flood as outlined on the Zoning Map (Schedule 2), unless the applicant can demonstrate an acceptable method of flood proofing the proposed development and completes a flood hazard waiver that acknowledges the risk and indemnifies the municipality against any future loss.
- 7.4.2 Where a proposed development involves land filling, the Development Officer may require the applicant to submit a drainage plan endorsed by an engineer registered in the Yukon and include provision for drainage easements in the proposed development.
- 7.4.3 All driveways, in all zones containing roadside ditches, require culverts of a minimum size of 300 mm diameter x 4.8 m long.

### **7.5 Parks, Greenbelts and Environmental Reserves**

- 7.5.1 Parks, greenbelts and environmental reserve lands may be located in any zone.
- 7.5.2 To protect the integrity of environmentally sensitive lands including wetlands, lands along the Yukon and Nordenskiöld rivers, the minimum setback shall be 30m.
- 7.5.3 Notwithstanding section 7.5.2, Council may relax the minimum setback or enter into an alternative legal arrangement where an applicant can demonstrate the merits of a reduced setback and the relaxation does not compromise the environmental integrity of the area or unduly restrict public access to the shore.
- 7.5.4 Development that improves public access to and along a riverbank or around a lakeshore may be permitted where such development enhances the visitor experience (e.g. interpretative signage) and the nature of development (e.g. boardwalk) limits the impacts of users on the environment.
- 7.5.5 With the exception of section 7.5.4 above and developments such as docks, municipal works (e.g. water intakes and sewer outfalls, irrigation lines), lands within 30 m of the ordinary high water mark (OHWM) of the Nordenskiöld and Yukon rivers, wetlands, lakes and ponds will be left in their natural state to the extent possible.

### **7.6 Screening & Outside Storage**

- 7.6.1 During the period a *Building Permit* is in effect, temporary storage of building materials shall be permitted in any yard of any lot, in all zones.
- 7.6.2 Long term storage of garden equipment, boats, trailers, campers or similar recreational equipment, fuel wood and other such goods normally associated with the enjoyment of residential property shall only be permitted in the rear and interior side yards of any lot in a residential zone.
- 7.6.3 Outdoor storage yards in all other zones shall be securely fenced. The Development Officer may, given the nature of the proposed use, require additional screening, and/or landscaping to conceal the storage area from any adjacent street.
- 7.6.4 Where a permitted development requiring outside storage abuts a residential zone, the storage area shall be screened from the adjacent residential uses.

- 7.6.5** No person shall park or store outside more than one dismantled vehicle on a lot in a residential zone while the vehicle is being restore to roadworthy condition for a period of more than 120 days in the case of a wrecked vehicle being used for parts or 180 days, in the case of a dismantled vehicle being restored to roadworthy condition.
- 7.6.6** In any residential zone, no person shall keep, store or permit to accumulate outside and unscreened, any objects, chattels, goods or materials for a period of one hundred eighty (180) days or more, which, in the opinion of Council, are unsightly, out of character with the residential character of the zone, or by their nature and location, diminish the reasonable use and enjoyment of neighbouring properties.
- 7.6.7** No person shall permit to accumulate, stockpile, keep or store on any lot, or in any building or structure, rubbish, building materials, fluids, machinery or other goods and chattels, in such quantities that in the opinion of the Development Officer, they pose a potential fire risk, nuisance or hazard to the physical health and safety of adjoining property owners or the public at large.

## **7.7 Fences, Hedges & Buffers**

- 7.7.1** Fences, hedges and vegetated buffers may be constructed on any lot in any zone except as specifically provided for in this bylaw.
- 7.7.2** The Development Officer may require any development in any zone to be fenced where the proposed use may pose a public safety risk. The height of fencing required for any recreational activity shall be consistent with the requirements of that sport or activity.
- 7.7.3** The owner of a corner lot in any zone shall not at the intersection of the two streets grow or allow the growth of any hedge, or build or maintain a solid fence or other solid structure, which exceeds a height of one (1.0 m) above the adjacent street level and which falls within a triangle of land, formed by the intersecting streets and a line connecting the points on the side property lines seven point five (7.5m) from the intersection of the property lines.
- 7.7.4** The fence material used in any zone shall be consistent with the character of the zone in which it is located. Barbed wire may only be permitted as a fence top in industrial zones or to surround public utility facilities where restricted access is essential for public protection. Notwithstanding the exceptions set out in 7.7.2, the maximum height for fences, hedges and buffers shall be as follows:

<b>Table 7.7.4 Fencing Requirements</b>			
<b>ZONE</b>	<b>FRONT LOT LINE</b>	<b>SIDE LOT LINE(s)</b>	<b>REAR LOT LINE</b>
CR	1.2m	2.0m	2.0m
UR	1.2m	2.0m	2.0m
CU	1.2m	2.0m	2.0m
C	1.2m	2.0m	2.0m
I	2.0m	2.5m	2.5m
P	1.2m	2.0m	2.0m
H	2.0m	2.5m	2.5m
A	2.0m	2.5m	2.5m
FD	2.0m	2.5m	2.5m

## **7.8 Water & Sewer Facilities**

- 7.8.1 Where piped municipal sanitary sewer service is available, no building on any lot in any zone requiring provision for sanitary sewer service shall be constructed or used for any purpose without proper connections to the sanitary sewer service.
- 7.8.2 Where such systems do not abut properties, the owner or authorized agent shall provide a private water supply and sewage disposal system approved in accordance with the relevant Territorial Regulations.

## **7.9 Public Utilities**

- 7.9.1 Any expansion, enlargement or relocation of public utility infrastructure, which may affect an abutting land use, requires a Development Permit.

## **7.10 Natural Resource Extraction**

- 7.10.1 Natural resource extraction (e.g. forestry, gravel extraction) may be permitted in the industrial (I) and hinterland (H) zones as an interim, conditional land use. The applicant shall include in the Development Permit application, information on the timeframe of intended operation, volume and composition of the material to be removed, the associated environmental consequences of development, the type and manner of extraction, processing and storage, the method of reclamation and subsequent utility of the land for future use.

## **7.11 Accessory Development**

- 7.11.1 Accessory uses and accessory buildings or structures are permitted in all zones where a permit has been issued for a principal use.
- 7.11.2 Accessory buildings or structures shall not be located in the front yard or, in the case of a corner lot, any unscreened, exterior side yard of any residential zone.
- 7.11.3 An accessory building or structure shall not exceed the maximum permitted height in any zone.
- 7.11.4 An accessory building may be erected to facilitate the construction of a principal building but shall not be used as the principal building.

## **7.12 Lighting**

- 7.12.1 Any outdoor lighting for any development shall be located and arranged so that no direct rays of light are directed at adjoining properties.
- 7.12.2 The Development Officer, in keeping with the principles of crime prevention through environmental design, may require such additional site lighting as is necessary to encourage pedestrian safety and allow casual surveillance from adjacent buildings and abutting streets of parking areas and walkways.

## **7.13 Landscaping**

- 7.13.1 A site landscaping and screening plan shall be included in all Development Permit applications for multiple housing, commercial, industrial and institutional developments.

## **7.14 Off Street Parking & Loading**

- 7.14.1 All developments in non-residential zones must provide as a minimum, a durable, gravel surfaced parking area with sufficient slope to ensure proper drainage.

- 7.14.2** Aisles shall be a minimum of six point seven (6.7m) wide for 90° parking, five point five (5.5m) wide for 60° parking, and three point six (3.6m) wide for 45°, 30°, and parallel parking.
- 7.14.3** Each required off-street parking space should have a minimum area of sixteen point five (16.5<sup>2</sup>), with a minimum stall width of two point seven (2.75m), exclusive of access driveways and aisles. Such spaces shall have a vertical clearance of two point two (2.2m).
- 7.14.4** All highway commercial and tourist service uses shall provide parking of sufficient length and width to accommodate a range of vehicle types: including buses, tractor trailer trucks and motor homes consistent with the type of traffic typically associated with that type of use.
- 7.14.5** The minimum dimensions of a bus parking space shall be twelve point two (12.2m) long, three point six (3.6m) wide with a minimum vertical clearance of four point six (4.6m).
- 7.14.6** All access points, parking and loading areas shall be located to the satisfaction of the Development Officer having due regard to the use proposed, the type of traffic expected to be generated, roadway function and visibility, emergency vehicle movement and the needs of the elderly and handicapped.
- 7.14.7** One loading space is required for any building in a non-residential zone.
- 7.14.8** The minimum required off-street vehicle parking for uses in all zones should be as follows:

<b>Table 7.14.8 Parking Requirements</b>	
<b>Type of Development or Use</b>	<b>Parking Spaces</b>
Single detached housing, duplexes	2 per dwelling. The spaces may be in tandem.
Multiple housing	1 per 1 bedroom/studio; 1.5 per 2 bedroom; 2 per 3 bedroom plus 1 space per 7 dwelling units for guest parking.
Living suites, bed & breakfast lodging, home based business	1 per suite in addition to number required for a single detached dwelling
Senior citizen housing, regardless of type	1 per 2 dwelling units plus 1 per 3 staff
Hotels, motels,	1 per 1.5 sleeping units plus 1 bus space
Offices, business and personal service establishments, retail stores, industrial uses	2 per 100m <sup>2</sup> of gross floor area
Service stations, wholesale and drive-in businesses	5 per 100m <sup>2</sup> of gross floor area with a minimum of 3 in-bound and 2 outbound queuing spaces
Eating and drinking establishments	1 per 5 seats
Schools	1 per employee plus 2 guest parking or 1 space per 10 seats in a gymnasium plus 2 queuing stalls for buses.
Tourist services including museums	1 per employee plus 3 per 100m <sup>2</sup> of gross floor area and one bus space
Institutional	1 per employee plus 1 per 100m <sup>2</sup> of gross floor area
Community recreation services, churches	1 per employee plus 1 per 5 seating spaces or 1 per 5m <sup>2</sup> whichever is greater

## **7.15 Off Street Garbage & Recycling**

- 7.15.1 Where any proposed development requires collective waste disposal facilities, the location, manner of storage and screening shall be indicated on the plans submitted with the Development Permit application.
- 7.15.2 Collective waste disposal facilities are not permitted within the front or side yard setbacks.

## **7.16 Signage**

- 7.16.1 All signs shall be indicated on the plans submitted with the Development Permit application.
- 7.16.2 No part of any freestanding sign shall project beyond the property line.
- 7.16.3 All signs shall be related to the principal use or uses of the site and serve to identify the name of the business and the products and services available.
- 7.16.4 All fascia, canopy/awning, freestanding and projecting signs shall maintain a minimum clearance of two point five (2.5m) above grade.
- 7.16.5 The operator of a home occupation or major home-based business may attach one non-illuminated fascia sign to a maximum of point three (0.3 m<sup>2</sup>) to the principal residence advertising the business, or in the case of the country residential zone, at the entrance to the driveway.
- 7.16.6 Where a sign is found to identify a use incorrectly or is in an overall state of disrepair, the Development Officer may, by written notice, order a sign owner or person responsible for the sign, to alter, refurbish or remove the sign within the time specified in the notice.
- 7.16.7 Only-resident businesses holding a Village of Carmacks business license may apply to erect billboards along the Klondike and Campbell highways within municipal boundaries, except that non-resident businesses may advertise at designated rest areas intended to provide an orientation to regional attractions and other communities.
- 7.16.8 No sign shall be attached to any fence, utility pole, tree, garbage receptacle or any object in a public street or place except a kiosk or bulletin board erected by the Village for that purpose.
- 7.16.9 No sign shall by reason of its location, colour, shape, format or content imitate an official traffic sign.

## **7.17 Land Use Within the Vicinity of the Airport**

- 7.17.1 Land use within the vicinity of the Carmacks aerodrome shall comply with the building height, and any aerodrome zoning restrictions.
- 7.17.2 The Development Officer will refer all development applications for land abutting the aerodrome to the Government of Yukon department having jurisdiction for comment.

## **7.18 Lots Less than Minimum Size**

- 7.18.1 All lots that are shown on a registered plan prior to the passage of this bylaw which have an area less than the minimum lot size required for the zone in which they are situated, shall be allowed to develop the uses permitted in that particular zone provided that all other requirements of this bylaw are complied with. Rear and side yard setbacks may be reduced proportionately by the same percentage that the lot is less than the minimum for that zone.

## **7.19 Minor Agricultural Pursuits, Kennels & Stables**

- 7.19.1 Minor agricultural pursuits includes the raising of animals or fowl for personal consumption and similar activities shall not interfere with the use and enjoyment of neighbouring properties.

- 7.19.2** In reviewing an application for a kennel, stable or minor agricultural use, the Development Officer may recommend such additional conditions with respect to the placement of buildings, erection of fences, manner of waste disposal and numbers housed to ensure the development is compatible with abutting land uses and does not create a nuisance.
- 7.19.3** Commercial and recreational dog mushing operations involving dog yards containing six (6) or more animals are restricted to leases in the Hinterland zone (H).

## **7.20 Home Occupations & Major Home Based Business**

- 7.20.1** Home occupations are an accessory use and include the following types of uses and activities:
- a) Personal services such as hairdressing, tailoring, individual instruction;
  - b) Professional offices such as accounting, medical and dental practices;
  - c) Artist studios, including the manufacture of handicrafts, souvenirs;
  - d) Building trade offices and shops where the shop is either part of the principal building or part of an accessory garage;
  - e) Horticulture and market gardening, whether in the open or a greenhouse;
  - f) Bed & breakfast lodgings and licensed day care facilities; and
  - g) Such other similar uses as may be approved by Council from time to time on the advice of the Development Officer.
- 7.20.2** A home occupation shall not use more than 25% of the total floor area of the dwelling or accessory building in which it is located except in the case of a greenhouse where the size of the greenhouse shall not exceed 40% of the area of the principal dwelling.
- 7.20.3** Notwithstanding section 7.20.2, a major home-based business may use up to 40% of the total floor area of the dwelling or accessory building in which it is located.
- 7.20.4** A home occupation shall not be engaged in by anyone other than the family living in the dwelling whereas a major home-based business may employ up to two (2) persons who are not residents of the household.
- 7.20.5** There shall be no change in the outside appearance of the dwelling or accessory building housing the home occupation that would detract from the residential character of the area.
- 7.20.6** Any need for parking generated by the conduct of a home occupation or major home-based business shall be provided on-site.
- 7.20.7** No equipment or process shall be used in a home occupation or major home-based business that creates levels of noise, vibration, smoke, dust, glare, fumes, or odour, inconsistent with the residential nature of the area, or by virtue of the hours of operation, type and level of activity impairs the use and enjoyment of neighbouring residential properties.
- 7.20.8** Only goods and materials directly related to the home business activity may be stored on-site in a principal or accessory building. The Development Officer may permit outside storage and impose such conditions as are required to ensure that:
- a) The storage area is screened from adjacent properties;
  - b) The volume of goods and materials stored is consistent with the residential character of the property;
  - c) The goods and materials stored are essential to the operation of the business activity; and

d) The goods and materials are stored in a safe, organized manner so as not to pose a fire hazard or nuisance to neighbouring properties.

**7.20.9** A person may operate more than one home occupation from the same residence provided that the aggregate area devoted to home based business activities does not exceed 25% of the gross floor area for home occupations and 40% for a major home based business.

## **7.21 Bed & Breakfast Lodgings**

**7.21.1** The owner/operator must live onsite.

**7.21.2** A bed & breakfast lodging must comply with all the regulations applicable to a major home-based business.

**7.21.3** A bed & breakfast may not be used as a boarding house.

**7.21.4** A maximum of four (4) rooms of a minimum size of 7.4m<sup>2</sup> each, or 40% of the gross floor area of the building may be devoted to this purpose in a country residential zone and up to 25% or two (2) rooms may be used for this purpose in the urban residential zone.

**7.21.5** The applicant for a Development Permit wishing to operate a bed & breakfast lodging must provide proof from the appropriate government health inspection authority confirming the premises are suitable from a health and sanitation purpose for the intended use.

## **7.22 Living Suites**

**7.22.1** A living suite, where permitted, shall be treated as an accessory use in the zone in which it is located. It shall not exceed 30% of the total floor area of a single detached dwelling, commercial or industrial building.

**7.22.2** An applicant wishing to develop a living suite within a commercial or industrial building or site must demonstrate that the nature of the business warrants a resident on-site caretaker for security or business operation purposes and employ the resident caretaker for that purpose.

**7.22.3** Only one living suite shall be permitted in a commercial or industrial building as a caretaker suite. In a residential zone, only one living suite is permitted as either an in-law or rental suite.

**7.22.4** Where the nature of a business in a commercial or industrial zone necessitates the provision of seasonal staff accommodation, a purpose built staff bunkhouse containing shared eating, washroom and sleeping accommodation may be permitted as an accessory use.

## **Section 8: Land Use Zones**

### **8.1 Zones**

**8.1.1** For the purpose of this Bylaw, the Village of Carmacks is hereby divided into the following land use classification zones indicated on the map marked "Zoning Map" which is Schedule B of this Bylaw.
